

## SCHNITT NEW ENGLAND PALE 4.5%

Hazy IPA lovers Fuerst Wiacek came over for a raft of UK collaborations and swung by Duration! We melded together their love of juicy IPA with our love of yeast in a beer full of body and big fruit punch, while keeping it sessionable and delicious. 'Schnitt' refers to a big open tap foamy pour, or cheeky top up when friends have more beer than you. Schnitt yourself happy with this one!
