

CAMBERWELL

PALE ALE

4.8%

Brewed with Krush, Citra and Galaxy hops and finished with South London heart. We love Camberwell - full of character, buzzing with creativity and home to some of the best food and drink spots in the London - FM Mangal BBQ, top-tier pizza, Asian delights and tasty pints at Stormbird. Like Camberwell this beer makes a lasting impression with bright citrus, soft stone fruit and a crisp herbal edge from a hop blend full of personality.
