

GOATFELL MOUNTAIN PALE 5.2%

Brewed with our friends at Tap Social Movement, Goatfell is a Mountain Pale - a style blending East Coast juiciness with West Coast crispness, and a hint of bitterness. Brewed with Scottish malts and a bold mix of Amarillo, Mosaic, Citra and Nectarone. Named after the highest peak on the Isle of Arran, Goatfell is a beer made in the spirit of resilience and collaboration.

TASTING NOTES

Blood Orange | Crisp | Juicy
