

SHINE #2 KRUSH KRUSH HOPPED PALE 4.8%

For #2 in our single hop series Krush comes under the spotlight shining bright following on from #1 Simcoe. Utilising liquid hop extract alongside Cryo and T90 hop pellets, we capture the full spectrum of what Krush has to offer with intense tropical notes of peach, guava, orange and a hint of papaya. A beer that is juicy yet crisp for the second release in Duration's single hopped series.
