

TRANSATLANTICISM

COLD IPA 6.4%

Transatlanticism is a Cold IPA brewed in collaboration with dear friends Queer Brewing. A beer style developed in the US that merges an IPA with cold cellaring techniques to produce a deliciously crisp beer with wonderful tropical notes from the hop additions. This is a beer with a mission too: Proceeds from every pint or can sold support a Norfolk LGBT+ Charity local to Duration Brewing. In drinking it, you are making a stand to increase visibility and raise awareness for LGBT+ communities.
