WEST ACRE BREWING NORFOLK

BLUE RIVER BLUEBERRY SOUR 4.2%

Bask in the moonlight of our wondrous Blue River. Local blueberries grown using our spent hops bring an exquisite natural acidity to this bright, lightly tart and refreshing beer. Lively fruitfulness lifted by a gentle peppery spice from the yeast and just a touch of farmhouse complexity. Brewed with our friends at Time and Tide a celebration of local fruit, shared craft, and the wilder, more expressive side of fermentation.
