

CHARM DARK MILD 3.4%

A beautifully balanced dark mild blending tradition with a gentle modern lift. Maris Otter lays a soft, bready base, layered in with nutty brown malt and a hint of chocolate malt for a rich colour. Toasted crust, light caramel, and subtle hazelnut unfold on the palate, wrapped in a smooth body. UK Cascade hops add a whisper of citrus and floral brightness, lifting the richness for easy going sessions. Comforting, elegant, and endlessly drinkable.
