

CUTTIN' GRASS

ITALIAN PILSNER

4.5%

A bright lemon, tangerine zip on the nose leads to a lean body with delicately firm hop bitterness. Crisp and lighter on the malts than his Bavarian cousin, this Italian Pilsner is instead generously dry hopped with noble German hops of Saphir and Mittelfruh. Deliciously crisp and light yet punchy at 4.5% this small entirely pintable Italian Pilsner is a perfect friend to have around when you are Cuttin' Grass.
