

JUMPERS FOR GOALPOSTS

SUMMER ALE
4.3%

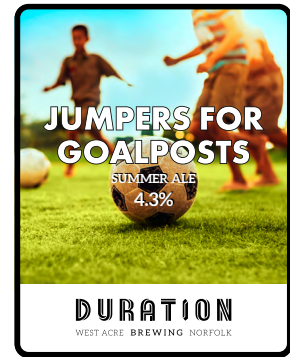

Jumpers For Goal Posts is a 4.3% Summer Ale brewed with English hops. First Gold and UK Cascade bring notes of orange marmalade and bright citrus, leading into a crisp finish. A nostalgic nod to warm evenings, park kickabouts and watching football in the sunshine, this is an easy-drinking cask ale built for summer.

TASTING NOTES

Orange | Crisp | Refreshing
