

## MAYA SHINES

### SESSION PALE

4.2%

Layers of over ripe tropical fruits, sticky pine and vibrant citrus notes meld in this heady Pale. A collaboraion with Unite Brew for IWD2026. Paying tribute to the phenomenal Maya Angelou who taught us about freedom and belonging. She braved the wilderness to find her own unique, individual and authentic sense of self. Resilience and expression personified in the steadfast belief - nothing can dim the light that shines from within.
