

PATHFINDER PALE

PALE ALE
4.7%

Pathfinder Pale is brewed to celebrate Northstowe Tap & Social's second birthday - a juicy collaboration between Duration Brewing and the brilliant Cambridge team. Packed with Krush hops, it bursts with ripe mango, pineapple and mixed berry notes, balanced by a bright finish of orange zest and pine freshness. Smooth, vibrant and made for long, laughter-filled sessions, it's a glass raised to good company and great beer. Cheers to two years!
