

SPARKLER PALE ALE

4.3%

A dry-hopped pale ale led by Idaho 7, with notes of orange peel, apricot and a flicker of pine. Light and hop-forward, with gentle bitterness and a faint toasty warmth from a touch of rye malt. With or without a sparkler on the pump, this one still lights up the glass. Brewed for darker skies, glowing fires, or just a quiet pint after the noise.

TASTING NOTES
