# WELCOME TO EDMUND'S OAST

## *PRIVATE EVENTS*

Edmund's Oast represents a unique collection of dining and imbibing experiences across three properties. Each venue represents a passion for high quality with an attention to detail in both service and selection.

With locales inside of a mile of each other on the Charleston peninsula, we can offer a wide range of events spaces to accommodate any group or budget. Our modern-yet-relaxed restaurant provides a covered outdoor Bower, along with all the privacy of an intimate dining experience in our Library, in addition to our main dining room. Our Brewing Company can likewise host a multitude of gatherings in our charming tap room or extensive events on our beautiful outdoor lawn.

## ENTIRE RESTAURANT BUYOUT

Renting out the entire restaurant includes all rooms available. It allows for rehearsal dinners to have a proper cocktail hour outside before guests come in for dinner. It also allows for up to 300 people to enjoy live music, order drinks at either bar, watch the sun set in the courtyard or even a bourbon bar in the Library.

## THE BOWER

Our stunning, hand-constructed timber-frame outdoor space, known as The Bower, provides over 3500 square feet of covered dining opportunity. Nestled next to our cobblestone courtyard, dotted with tasteful metal fire pits, The Bower utilizes its own fully stocked bar and provides a fine dining menu exactly like that of the restaurant.

## THE LIBRARY

Tucked away next to the kitchen, The Library is a gorgeous enclosed space with one long wooden table down the center. The room can seat up to 32 people.
