WHAT'S INSIDE

**LEGALIZE BIG DOINKS
WEST COAST IPA**
ABV 6.5
These are the dankest Doinks that we've ever Doinked. This extra-über-dank west coast IPA was rolled up nice and fat with Columbus Cryo hops and terpenes, giving it notes of citrus, pinecones, and that good sticky-icky.

**PARTY FORWARD
HAZY IPA**
ABV 6.0
Some beers are brewed to be malt forward, some are more hop forward, but this staple hazy IPA is undoubtedly party forward. This bad boy is fruity, soft and tropical, brewed with Citra and Citra Cryo hops.
