

ALL GREY EVERYWHERE COLD IPA ABV 7

This crisp, dry, and aromatic IPA was brewed in collaboration with our friends at Wayfinder Beer (Portland, OR) who share the same outlook on the wintry grey we all know too well. Why not shift our focus to this cold IPA with a hefty ABV balanced against a dank, fruity aroma with a crisp finish—designed to be an easy drinker when it's just, well, all grey everywhere.

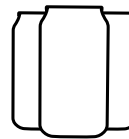

TASTING NOTES

Mango, dank cannabis, fresh mandarin oranges
