CHILL STATE

THC-INFUSED SPARKLING WATER

12oz CAN

Chill State is sparkling water infused with hemp-derived THC and broad spectrum CBD. It's flavored with terpenes, which are hyper-potent plant-derived aroma compounds modeled after strains you might recognize. All the dank flavors and aromas with zero calories, added sugars, or artificial sweeteners.

Earthy, pine, juicy citrus

HYPER COLD

NON-ALCOHOLIC ALES & LAGERS

16oz CAN

We started HyperCold, our non-alcoholic beer line, back in 2018—and now it's back in full force because we want NA beer that's just as high quality as everything else we make. Dual-Stage Vacuum Separation uses a low temperature, low pressure vacuum filtration that maintains flavor, color and aroma of the initial beer.

LAGER

Grassy hop aroma, soft pils malt, substantially bitter, extra crispy finish

WEST COAST IPA

Dank weed, pine, crispy, tropical fruit, notably bitter

DARK LAGER

Crispy, light, subtle roast, toasted bread, grassy hops

AMBER

Crisp, toasty malts, moderate bitterness, restrained hop nose

HOP WATER

HOP-INFUSED SPARKLING WATER

16oz CAN

Bright, zippy, and deeply aromatic, our Hop Water is infused with actual factual hops—and that's it! With zero calories, carbs, or booze, it's an excellent option for seltzer lovers, hop heads, or anyone looking for a crispy beer replacement.

CITRA & CENTENNIAL

Aromas of citrus pith, mountain air, and pine. Classic hop flavor.

CITRA & GALAXY

Notes of peach, guava, orange, pineapple. Super tropical.
