

DOUBLE PARTY

DOUBLE HAZY IPA

8.0% ABV

STORY

We've doubled Mirror Universe. We've doubled Spirit Foul. We've doubled Strata. It was only a matter of time before Party Forward got the XL treatment.

Double Party takes the soft, juicy essence of our beloved hazy IPA and cranks everything up. Loaded with Citra and Luminosa hops, this extra big hazy IPA is bursting with tropical and citrus notes, and lots of juicy hop character.

More hops, more body, more flavor.
Dangerously easy to drink.
The party starts here.
