

FESTBIER

OKTOBERFEST LAGER

5.7% ABV

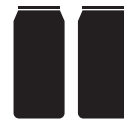

STORY

The best of the fest is back, and just in time for whenever you want to drink it. Festbier is super crisp, bready, malty, and nuanced, yet still über crushable, and über full of unnecessary ümläüts. We dare you to say that five times fast.

FORMATS

1/2 + 1/6 BBL

4/6/12

2/12/12

TASTING NOTES

Crisp, slightly sweet, toasty malt

HOPS

Sterling

MALTS

Munich, Pilsner, Vienna

FERMENTATION

Lager

PROCESS NOTES

Decoction-mashed and lagered for an extended period of time. This is the only lager we make that is decocted, an extra-special process where part of the mash is boiled, which gives it an incomparable depth of malt flavor without a lot of heaviness or sweetness.
