About Us

Mondo Brewing Company was founded in 2014 by two American brewers who cut their teeth in the vibrant beer scenes of the U.S, and beyond.

At our core, we believe that beer has always brought people together. With over 10 years in the business, having made lifelong friends along the way, we can safely say we know that to be true.

Our Battersea taproom is a reflection of that belief, a warm and welcoming space led by a passionate and proactive team dedicated to creating a great experience for every guest.

THE TAPROOM

Our taproom is the perfect venue for hosting intimate events. We offer flexible room set-up to cater to standing receptions, seated meals, or mixed-format events.

If you're looking for a space to host your birthday, wedding reception, goldfish naming ceremony or whatever the occasion. Our team are on hand to make sure you have a memorable, unique experience.

Guests will enjoy being in the heart of the action, just a few meters from where our beers are brewed, with the option for brewery tours and detailed sampling sessions for discerning drinkers.
