CLASSES AT TURGUA BREWING!

Would you like to learn how to turn some beautiful, antique silverware into wearable pieces of jewelry? Come join us for the Silverware to Rings Class at Turgua Brewing on February 22nd! I'm very excited to be able to offer this class as a first in a series of classes at Turgua!! Big big thank you to Kelley, Lauren, & everyone who has helped make this happen! 💚🌸💚

DETAILS:

- 🌸 February 22nd, 2025
- 🌸 At Turgua Brewing (3131 Cane Creek Rd, Fairview)
- 🌸 From 2 to 4 pm!
- 🌸 No prior experience needed! Just bring yourself + a feeling for your ring size (ring sizer will be brought) + an idea of what kind of spoon/fork/knife ring you'd like to make!
- 🌸 This class is **\$85 per person** and will show you how to make your own ring from a piece of antique silverware (1860s to 1930s). With a mounted ring bender, ring mandrel, a rawhide hammer, and a pair of bolt cutters, I'll show you each how to properly size a silverware ring & shape* it to fit just right!
